Scrawney-Morgan Foundation: Pint for a Pint Blood Drives **SPONSORSHIP INFORMATION**

Our mission at the Scrawney-Morgan Foundation is to raise awareness and unrestricted funds for the Dana-Farber Cancer Institute, the Joe Andruzzi Foundation which works to lessen the financial burden of cancer diagnosis & the Robert Kraft Blood Donor Center through our targeted Blood Drives on the North Shore, Metro-West and Cape!

Our Pint for a Pint Blood Drives with the Dana-Farber/Brigham & Woman's Blood Mobile are hosted by several of New England's wonderful breweries, True North in Ipswich, 7th Wave in Medfield and Stone Path Malt in Wareham, MA. These drives work on the concept of donate a pint of blood, receive a pint of beer!

During each Pint for a Pint Blood Drive we promote the importance of our Blood Drives, our other fundraising events, our hosts. We are looking for businesses or individuals to help offset the cost of operating and hosting our Pint for a Pint Blood Drives which are wildly popular and highly successful! Please, look over our sponsor levels to see if these would garner your generous participation. Custom packages are always available!
